Ok, here you have options on joining. This example will use “Join with Email”

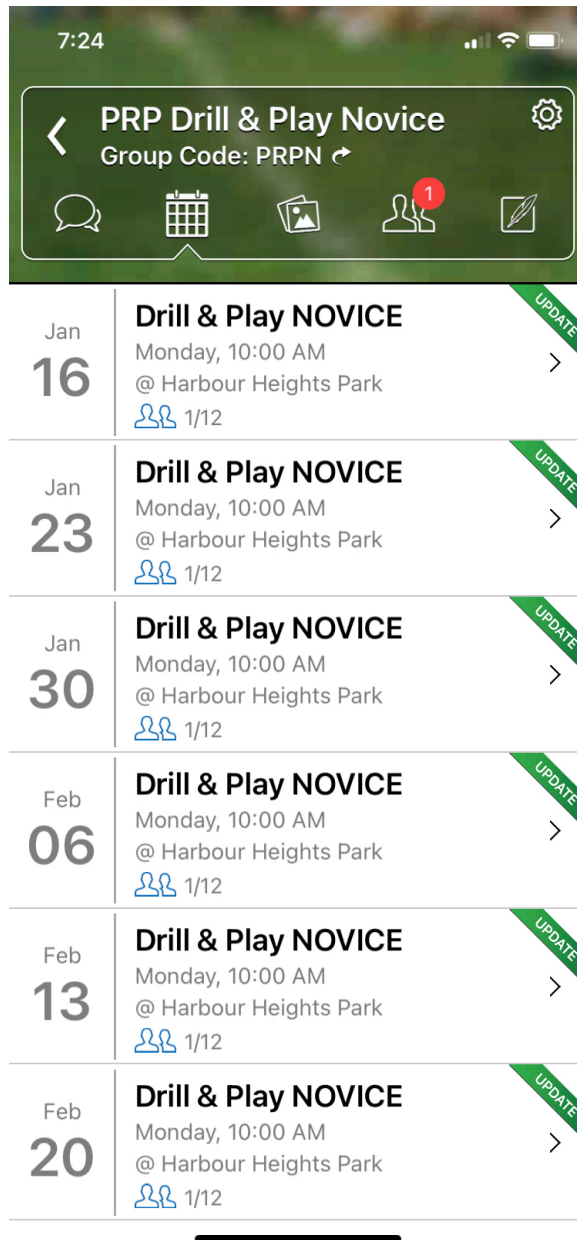

A mobile application interface for a 'Profile/Settings' page. At the top, the status bar shows the time 6:41, signal strength, Wi-Fi, and battery icons. Below the status bar is a dark header with a back arrow and the text 'Profile/Settings'. The main content area is white and contains several input fields. On the left, there is a circular 'add photo' button. To its right are two text input fields for '\* First Name' and '\* Last Name'. Below these is a 'Phone' section with a 'Phone Number' input field. Further down are three more input fields: '\* Email (@YourOrganization.com)', '\* Create Password', and '\* Verify Password'. At the bottom of the form is a dark grey 'Continue' button. A horizontal line is visible at the very bottom of the screen, likely representing the home indicator bar on an iPhone.

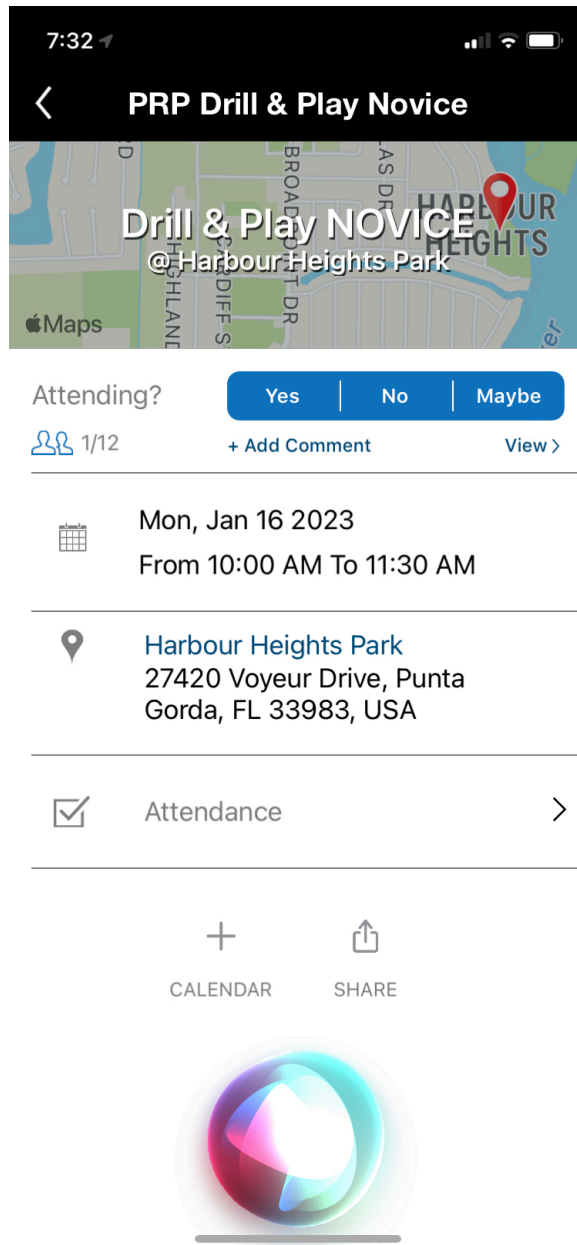

Complete the information fields and hit continue.

Now, you should see the “PRP Drill & Play Novice” button. Click on that and it should take you to the main screen. Click on calendar button.

Now you should see date choices for all scheduled events. Click on the one(s) you want to enter. In the example below, we clicked on Monday, the 16th. Click on the YES button to attend.

Congratulations, that all there is to it. Now, all we need is to see you on the courts!
